Colored People

Rev. S. G. Baker - - Editor

For the next three months there will be a chance for worthy young men to enter the Order of Knights of Pythias for less than the usual price, as Charity Lodge has opened a dispensation, and the desired information will be given by any member of that lodge.

Material is being placed on the ground for the erection of the new Bethlehem Baptist church on Clara avenue. With such men as the Rogers, F. C. Harris, Wilson, and others at the helm, the erection of said church seems to be a certainty.

Prof. S. F. Hadly, after an absence of quite two months, has returned home to spend a while with his family and friends before taking charge of the Tampa graded school as principal.

The revivals at Bethel church and the Union Baptist church closed last Sunday night. The Rev. Crawford will begin his next Sunday night and asks all Christian workers to help him.

The Rev. Morgan baptized five at his church last Sunday morning, and the Rev. Baker baptized one at his church Sunday afternoon.

Plans are being put in operation by which work on the new Bethel church will be resumed at an early date.

Mr. W. G. Benton, of Glenwood, was in the city on business last Wednesday. Wade is one of the boys who will ride the K. of P. goat soon.

A very interesting little prayer service was held at the Bethlehem Baptist church last Tuesday night, and a free will offering was taken for the new church fund, which amounted to \$8.25.

The Sanford district Sunday school and League conventions are in session at Winter Park this week. The delegation from this place left Wednesday.

The two most exciting games of baseball of the season were played in the athletic park last Monday and Tuesday between DeLand and Sanford. Both of the games resulted in a victory for DeLand.

The examination for teachers is being held this week at the school building. Prof. L. Whiteman, the appointed principal of the New Smyrna school, seems to be the only colored applicant who is battling with Mr. Hollaway for a certificate.

Mrs. M. F. Robinson returned to the city last Saturday from the East Coast, and opened school at Stetson last Monday morning.

Mrs. Sallie L. King and others left Monday on the excursion for St. Augustine. She will attend to some official business while there.

Miss Wilhelmina Johnson, who went to take charge of the Manatee school as reported in these columns last week, returned last week to meet the school board here Monday night. She will return to her school in a few days.

Mrs. Ellen Hall, who went home to visit her relatives and friends at Lake City a few weeks ago, has returned looking better.

Misses Leota and Clara King very pleasantly entertained a few of their friends at their residence last Monday evening.

They gently stimulate stomach, liver and bowels, preventing that clogging that invites appendicitis, curing Constipation, Biliousness, Chills, Malaria, Headache and Indigestion. 25c at all Druggists.

HEART FLUTTERING.

Undigested food and gas in the stomach, located just below the heart, presses against it and causes heart palpitation.

When your heart troubles you in that way take Herbine for a few days. You will soon be all right. 50c a bottle. Sold by all Druggists.

Helping Her Out.

Excited Lady (who has been annoyed by unsteady individual next to her): "Conductor, are drunken people allowed in here?"

Conductor: "Sh! That's all right, mum. Sit down quietly. Nobody'll notice yer."

Couldn't Trust His Vision.

"I always mistrust the supernatural innocent pose," said Wilton Lackaye, according to Young's Magazine. "It reminds me of an old college professor of mine, who attended a banquet once and drank several glasses of port."

The professor did not know this wine's extraordinary strength, and in all innocence he took too much. When he rose to leave the table, his legs, to his dismay, tottered, and the room seemed to sway slightly.

"The horrified professor got to the parlor in safety. He sat down in the most distant corner. But soon his young hostess, leading a maid who carried her two beautiful twin babies, came to him for his approbation."

"The professor sat up very erect. He gazed at the twins glassily. Then he articulated carefully, in a hoarse, thick voice:

"What a bonny little child!"

Wide Circulation.

There lives an editor in interior Pennsylvania, "Jim" Sweeney by name, who has a keen sense of humor. Seeking to increase his fortune, Sweeney once wrote to a prospective advertiser, setting forth in attractive fashion the value of his paper as a medium of publicity.

The advertiser was captivated by Sweeney's letter, but desirous of more specific assurance before he invested his money, he wrote to Sweeney, saying that he hadn't heard of the Trump-town Sentinel. "Where does it circulate?" he asked.

And, in his illuminating way, Sweeney wrote back:

"The Trump-town Sentinel circulates in Europe, Asia, Africa, North and South America, and it's about all I can do to keep it from going to hell."

Residents of the Pinellas peninsula are already starting an active campaign for the creation of Pinellas county out of the peninsular section of Hills-boro.

Your complexion as well as your temper is rendered miserable by a disordered liver. By taking Chamberlain's Stomach and Liver Tablets you can improve both. Sold by all Dealers.

The Judges Took the Tip.

A prisoner was in the night court on a charge of disorderly conduct and intoxication, says the New York Sun. "Where do you work?" asked the magistrate.

"Electrician, Columbia University," was the response.

"What would President Butler do if he knew you were this way?"

"He'd discharge me; and say, your honor, take a tip from a wise guy like him and do the same yourself."

The magistrate did.

Chamberlain's Colic, Cholera and Diarrhoea Remedy is today the best known medicine in use for the relief and cure of bowel complaints. It cures griping, diarrhoea, dysentery, and should be taken at the first unnatural looseness of the bowels. It is equally valuable for children and adults. It always cures. Sold by all Dealers.

Anything in a Name?

A conductor and a brakeman on a Montana railroad differ as to the proper pronunciation of the name Eureka, says Everybody's. Passengers are often startled upon arrival at this station to hear the conductor yell:

"You're a liar! You're a liar!"

And then from the brakeman at the other end of the car:

"You really are! You really are!"
